# **Nacela platforma Wav50-118, AN 2010, Inaltime de lucru 5 m, BATERIE NOUA**

---

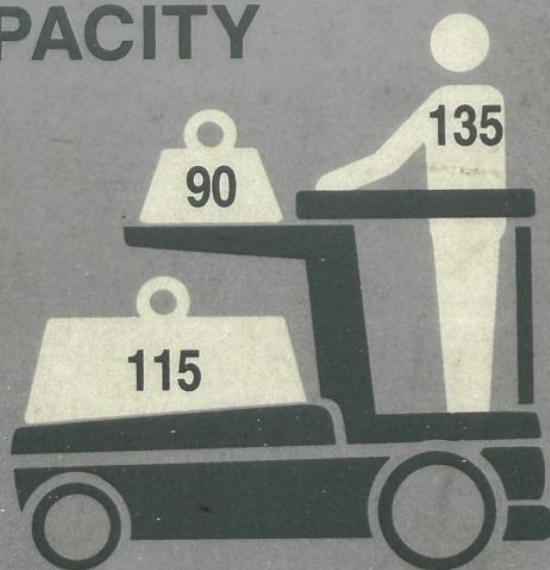

**STIVUITOARE-LIZE SRL**

**CAPACITY**  
**KG**

**One Operator - No Passengers**

**⚠ WARNING**

**Do not operate this vehicle unless you are trained and authorised.**

You or people around you could be seriously injured or even killed if you do not use this vehicle correctly.

**Read the Operator Manual.**

Obey all warnings and instructions in the Manuals and on the vehicle.

Inspect your vehicle before using it. Make sure it is in good working order.

You can be crushed by going under a rack. Concentrate on where you're driving.

Stay off ramps or grades. You could lose steering control. Operate on level surfaces only.

## **! DANGER**

This platform is not insulated. You could be burned or even killed if you or your vehicle comes too close to electrical devices or wires.

Know what voltages you may be exposed to, and what the safe working distance is.
